Food Ministry Volunteers

Help us serve lunch at Noon and dinners at 5pm Mondays through Fridays. Ideally, we could utilize only 2-4 volunteers for each meal. Simply complete our online application or call the Volunteer/Events Office to start.

Drivers

Drive people to various appointments in our vehicles as needed. Some appointments occur on a regular basis. We need a completed online application, a background check and other important information. You must have a "clean" driving record to be considered.

Contact Desk Workers

We could use some help Mondays through Fridays at various times including evenings between 6 and 8 pm. Ideally, it would be great to have people work two or more hours on a regular basis. We'd also like to train people who could serve on an as needed basis. We need a completed online application, a background check and other important information. Ideally, we would like volunteers who can commit to two or more months.

Special Projects Team

The team at City Light would like to maintain a list of individuals, families and groups who they could call to help with a variety of tasks or episodic projects. Here are just a few examples: Minor buildings and grounds maintenance, deep cleaning projects, organize storage, food, clothing and other storage areas, wash and wax vans, bicycle maintenance, seasonal decorating, and event support. We need individual or group applications and appropriate background checks in most situations.

Saturday Activity Volunteers

There is interest in allowing qualified volunteers to invest about two hours off site with a small group of women who are in our discipleship recovery program. These experiences can be educational, community service, recreational or entertainment oriented. We need a completed online application, a background check and other important information.
